

“The LMN workshop: building and retaining Talent”
Free of Charge¹ LMN Event, 5th March 2009, Chandos House

LMN has organised this workshop following demand from our members for retaining motivation and talent in their management teams. We have evaluated a series of approaches that would help the LMN community build a talented workforce base.

- 13.45-14.00** **Registration with coffee/tea**
- 14.00-14.10** **Welcome & Opening by Chair** - Wojtek Adamek, Head of Computer Services, London Southbank University
- 14.10-14.55** **BOHICA**- Oliver Clifford et.al
- 14.55-15.10** **LMN Case Study** - Mike Hall, IT Director of Services, Roehampton University
- 15.10-15.40** **Inside out-workout** - Vasiliki Gkotsi, Royal College of Art
- 15.40-15.45** **Closing Remarks from the Chair**
- 15.45-16.00** **Q's & A's Session for the Delegates**

16.00 onwards	Networking Reception with a selection of wine and beer and nibbles
----------------------	---

1. Introduction by the Chair

2. BOHICA: The workshop

Tailored case studies addressing creative ways of resolving issues at work such as vendors, suppliers and other daily tasks.

3. LMN Case study: Enabling the transition from management to leadership

Realising talent at Roehampton's IT management team

Overcoming the mentality of "that's never going to work"

Address change management issues within a supportive context of positive humour

4. Inside out: Workout

Demonstration towards enhancing personal and interpersonal effectiveness and performance of teams by absorbing and making use of the transformative events taking place through our interaction with art forms such as interactive dialogue, role playing, quick sketches, body exploration, performances.

5. Closing Remarks from the Chair

6. Q&As

A chance for the delegates to debate their thoughts.

All events are by INVITATION ONLY
