

Joining it all up...

Use of available technology in the
classroom

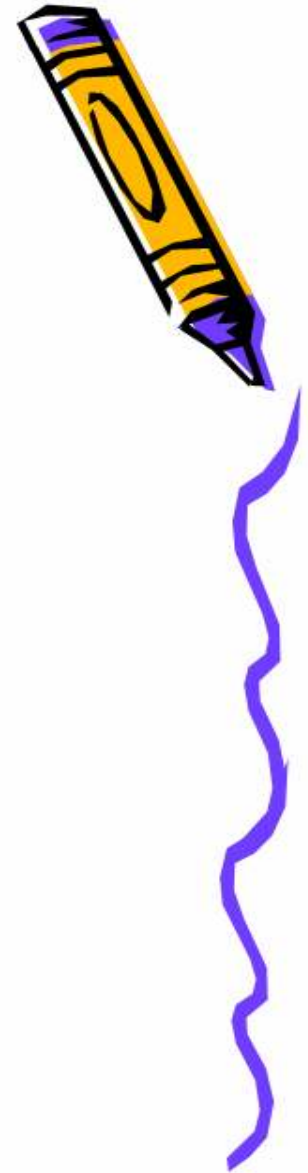

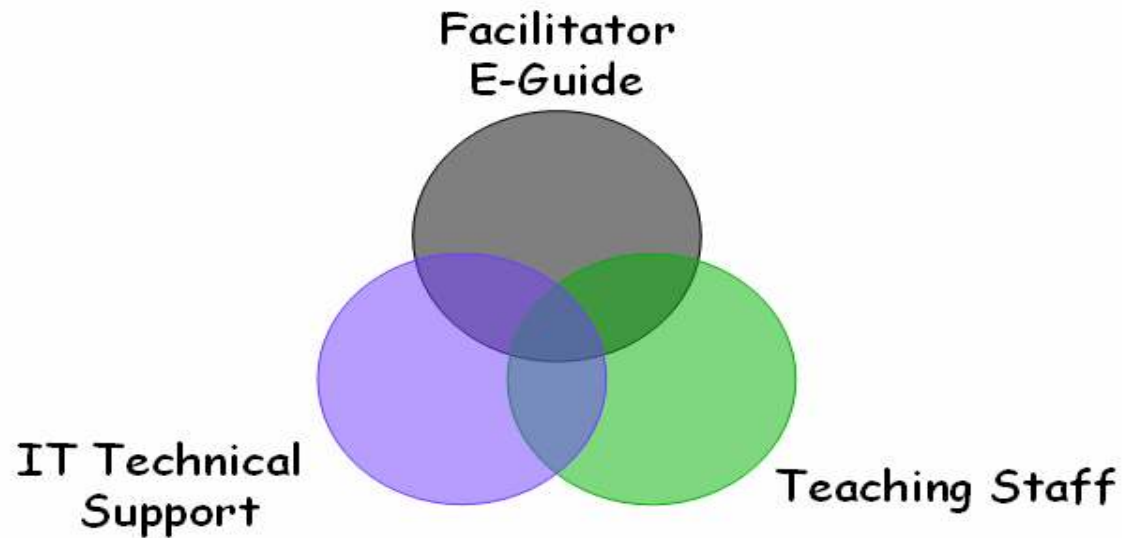

Context

- The QIA / Becta 'e-Maturity' project
- Follows the College's ICT/e-Learning Healthcheck

Listening & mentoring

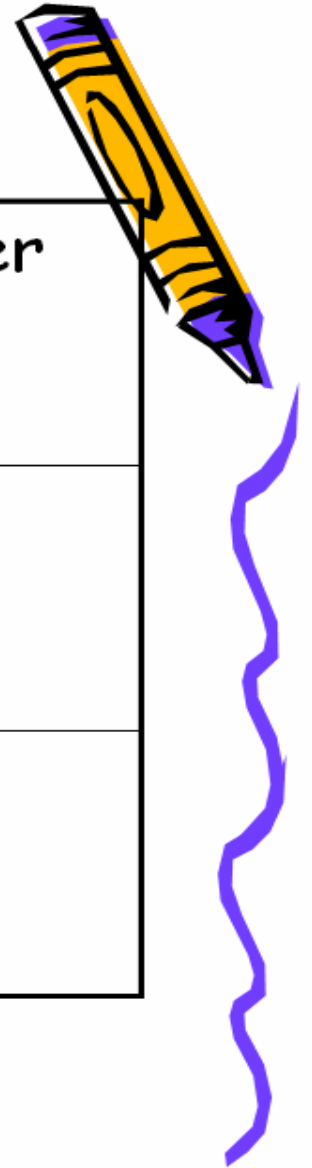

Groupwork

- Break into groups of 5
- 5 mins - Silent thought with post-its
- 15 mins - Read out your post-its and place on the grid
- 10 mins - Feedback

Is the issue to do with...?

'I'm sorry I was very negative at the meeting. I hope I didn't give the wrong impression...

However, afterwards I felt someone was taking more than active interest and that something will happen as a result of this.'

Subject: RE: Interactive whiteboards

Paulette,

Andy just showed me how to use the IWB and go straight into using the pen etc. Am now crystal clear! Thanks very much all. If I need more time on anything will sign up for training or go to the Wednesday drop-in.

ICT Equipment

Only by improving the listening and communication skills of all concerned can solutions begin to be found.

That applies whether we
Technology or not!
